

FOR IMMEDIATE RELEASE

SLEEGERS TANKS ACQUIRES CERTAIN ASSETS OF BRAMA AND DEKKO

London, Ontario, Canada – June 9, 2009

SLEEGERS Tanks Inc., based in London, Ontario, Canada has today announced that on June 3, 2009 it acquired, from a secured lender, certain assets of BRAMA, Inc. www.bigred.org and DEKKO, Inc. www.dekkoinc.com of Indianapolis, IN.

For clarity, the assets include patents, trademarks, designs, web domains, software code, servers, regulatory approvals and certifications, inventory, and accounts receivable owing.

“We are excited about serving the existing customer base and about future opportunities with both product lines. We believe our expertise and standards of excellence in our operations will prove to be of significant benefit to the BRAMA and DEKKO customers” said Dan Granger, President of SLEEGERS.

About SLEEGERS Tanks Inc.

SLEEGERS is North America’s leading manufacturer of propane motor fuel tanks for propane vehicle conversions. SLEEGERS is an original equipment manufacturer (OEM) supplier to Roush, Bluebird, Ford, and Schwan’s which demand the highest in technical capability, supply chain response and quality standards.

SLEEGERS tanks are built to ASME and CSA standards. Brackets are designed and fabricated to meet the requirements of multi-faceted jurisdictions including, NFPA 58, CSA B149.5, Rail Road Commission of Texas, and California Title 13.
